В Главную судейскую
коллегию чемпионата
Европы среди юниоров

10.08.97г.

г. Тахертинг.

Протест

6.08. на совещании капитанов было принято решение о проведении командной стрельбы. Капитаны команд приняли решение о том, что юниоры мужчины стреляют с 1/8 финала, остальные команды олимпийской программы с 1/4.

Однако это решение дважды было изменено решением главного судьи и представителем (техническим делегатом) Европейского союза.

Мы считаем, что это не должно быть и необходимо оставить решение капитанов команд от 6.08. так как нарушается сразу два принципа: демократии и философского принципа ФИТА, о том что участвовать в соревнованиях должно максимальное количество спортсменов.

Капитан команды России
