Signature things to see and to do:

1) Vasilevsky Island and the Strelka

2) Night bridge's raising: connecting Palace Square with the Strelka on Vasilevsky Island, Palace Bridge spans the historic centre of St. Petersburg. When raised at night, it provides one of the most spectacular views in the city, as well as gathering point for thousands of revelers during the White Nights.

- 3) Boat trip on the Neva river: The main river of St. Petersburg, which runs from Lake Ladoga right through the middle of the city into the Gulf of Finland, a broad slow-flowing waterway and major shipping route.

- 4) State Hermitage museum and Ekaterininskiy Palace: One of the largest museums in the world, the Hermitage is most famous for its European art collection, including works by Michelangelo, Rubens, Rembrandt, Picasso and Matisse.
